Ewart Newton's expertise in business planning and management, online business strategy, communications, alliance building, and financial management enables him to provide clients with comprehensive solutions.

In addition to consulting for DNS clients, Ewart is responsible for DNS Associates technology initiatives. A former Vice President at Citibank, Ewart Newton was instrumental in defining Citibank's intranet strategy in the mid-1990's. Previously, Ewart worked as a public accountant for KPMG Peat Marwick.

Ewart is also founder of BlueSky360, an affiliate of DNS Associates that develops custom technology solutions that improve performance, service quality, and efficiency of nonprofit agencies.

Ewart has a degree in Economics & Business Studies from Sheffield University in England.
