

Technology

Technology improves the productivity of workgroups and teams and enables effective communications. Technology services are provided by BlueSky360, an affiliate of DNS Associates.

BlueSky360 develops intranets and websites that enable your organization to:

- ◆ Improve the productivity of workgroups and teams
- ◆ Share expertise across the organization
- ◆ Improve communications within the organization
- ◆ Market your organization and provide services online
- ◆ Reduce time and costs of administration

BlueSky360's solutions start with a comprehensive analysis and understanding of your organization's goals and present practices.

DNS Associates

DNS Associates is a trusted advisor to nonprofit organizations.

Since 1982, nonprofits have relied on DNS to help them to raise money, evaluate opportunities, develop strategies, train and motivate volunteers, communicate with constituents, and use technology to improve efficiency.

Each DNS professional has many years of experience in nonprofit and business sectors.
